SUMMER Holidays

HOME WORK

• Name

• Class : K.G. I (Lily)

Dear Parents,
Greetings!

As we approach the summer vacation, we would like to thank you for your continuous support and involvement in your child's learning journey. Summer holidays are a wonderful time for children to relax, explore, and learn through everyday experiences. For our little learners, we encourage a balance of fun and light learning activities instead of formal homework. The focus should be on developing good habits, creativity, and communication skills.

Let this vacation be filled with joy, bonding, and meaningful learning experiences.

We look forward to seeing our children refreshed and happy after the break!

Wishing you and your family a safe and enjoyable summer vacation.

Regards

BIS
